Kitchen & Furniture Hardware Highlights

ABOUT TATARIA

TATARIA is committed to trend new paths with the Promise of Perfection, Innovation and Reliability !!!

Since its foundation in 1997, TATARIA has been creating values in customer's lives by delivering products with superior functionality. With 20+ years of propelling experience, we have created our own benchmarks with the ideal blend of innovation & experience making us one of the leading brands in hardware industry today.

We offer complete range of Kitchen, Furniture and Architectural Hardware Products. Our products encompasses Quality, Flair, Functionality and Longevity. We have partnered with reputed European Brands and also set up state-of-the-art manufacturing unit to fulfill the market demands. We pride ourselves in our ability to meet our customer's needs for the right product at the right price.

Vision & Mission

It's our aim to make our products cost effective and readily available anywhere in India. Tataria's are totally committed to quality hardware products and our criterion always puts quality and value for money to the fore to please every customer.

Network & Infrastructure

TATARIA have a strong distribution network across India including dealers, distributors and company owned display cum training Centre. The display centre showcase all product ranges under one roof & offers technical know-how of product application and usage. The majority of products are stocked in our branch network to meet your immediate needs. We have a modern office and factory setup with highly skilled and experienced staff to handle the daily affairs backed up with latest IT infrastructure.

Product Range

Greater Functionality, Technical Excellence and Affordable Price. We are proud to offer products that are functional and practical, yet boast elegant, beautiful designs. We have a wide and comprehensive range of over 1000 products all of which meet modern standards of functionality and durability.

We have state-of-the-art manufacturing unit located in Kalol, Gujarat. It is equipped with the sophisticated machines, advanced tools and high-end technology to meet the needs of any order size or specifications. We undertake OEM jobs for bulk quantity orders. Our range undoubtedly continuous to expand, accommodating new innovations and finishes. Our Products Range is comprehensive and caters for vast range of applications. New products are constantly being added to our ranges so keep an eye on our website, or feel free to contact us.
